

MONSTERS

OF THE DEEP ACTIVITY SHEET

Study these up-close pictures of sea animals found in the Museum's current exhibit Monsters of the Deep.
Match the picture number to the correct name by drawing a line.

1	Blue Whale	I can weigh up to 200 tons.
2	Pointed Sand Star	I move using my tube feet.
3	Spotted Eagle Ray	I am a fish without bones.
4	Archelon Turtle	My skin feels like leather.
5	Short-spined Sea Urchin	I have a fat round body.
6	Giant Squid	My eye is as big as a volleyball.

1. Spotted Eagle Ray 2. Giant Squid 3. Spotted Sand Star 4. Short-spined Sea Urchin 5. Blue Whale 6. Archelon Turtle

MONSTERS OF THE DEEP

Join us beneath the sea.
