Monsters of the Deep Worksheet

Names:_____

Work with your partner. Choose an animal in the exhibit and look for answers to the questions below.

1. *What is the name of your Ocean Animal?*

2. *Describe your Ocean Animal. (Include information about the animal's size, color, and any distinctive features.)*

3. *Describe the habitat of your ocean animal. Where in the ocean does your animal live? What is the sea life like in this habitat?*

4. *What does your ocean animal eat?*

5. *What other facts did you learn about your sea animal?*

6. *If your animal is extinct or endangered, what factors (events, circumstances, situations, or limited resources) have affected the quality of life for your ocean animal?*

    a. *What can <u>we</u> do to help ocean animals to survive and thrive?*
