“First Tuesday Lecture” & Health Screenings at Museum

Museum partner offers free health screenings at March 4 lecture

Jackson, Miss. – Visit the Museum on Tuesday, March 4 and treat yourself to free health screenings and an interesting naturalist lecture. Senior citizens age 60 and over will be admitted free to the Museum between 8 a.m. and 9 a.m.

- From 10 a.m. until noon, Baptist Health Systems will offer free blood pressure, grip strength and flexibility screenings. Baptist Health Systems is a sponsor of the current exhibit, “Bone Up On Bones”, which focuses on bone health.
- From noon to 1 p.m., join guest lecturer Keith Kirkland, Executive Director of the Wolf River Conservancy in Memphis for, “Protecting and Enhancing a Local River - How Memphis Started a Community Greening Movement”. The Conservancy spearheaded efforts in 2007 to move Memphis from last among its peer cities (based on parks, greenways and safe bike routes) and secured the city’s commitment to a \$28 million, 22-mile Wolf River Greenway.
- Museum members admitted free; otherwise regular admission fees apply. The health screenings are free to Museum visitors.
- Complete your visit by exploring the “Bone Up On Bones” exhibit and the Museum’s permanent collections, aquariums, nature trails and picnic areas. The museum is located at 2148 Riverside Drive within LeFleur's Bluff State Park. Call 601.354.7303 or visit ww.ms-naturalscience.org for details.
