8th Annual NatureFEST! Celebrates Spring Naturally

*It's a family festival, a nature outing and a fascinating trip to the Museum,
all wrapped into one exciting day!*

Jackson, Miss. – Now in its eighth year, NatureFEST! will get you in the swing of spring Saturday, April 12, from 10:00 a.m. – 4:00 p.m. Celebrate and appreciate the natural world around you – inside and outside the Museum. Activities include:

- High-energy, interactive adventures with Flumpa and Friends LIVE! The nationally acclaimed, award-winning duo stars Flumpa, an adventurous blue-eyed, red-footed tree frog, and Wendy Whitten, “The Singing Scientist”;
- The “Snake Man”- Terry Vandeventer and Master Falconer David Hall;
- Fish feedings / dives, educational programs and a behind-the-scenes look at Museum research;
- Fossil digs, face painting and children’s activities;
- Guided nature walks, a native plant sale and many other outdoor activities;
- Demonstrations of the latest recreational equipment by Buffalo Peak Outfitters;
- Kayak paddling or paddling with John Rusky’s Quawpaw Canoe Company in a hand-carved 12 person canoe!

Complete your visit by exploring the Museum’s permanent collections and aquariums and the “Bone Up On Bones” temporary exhibit. The museum is located at 2148 Riverside Drive in Jackson. Call 601.354.7303 or visit www.msnaturalscience.org for details.
