Museum Technical Report Series

Museum Technical Reports are cataloged and housed in the Museum Library. Photocopies can be obtained for a photocopying and handling charge of \$10.00 per report. Please make requests to the Museum Library at 601-354-7303 or Fax 601-354-7227 or Email: [Library@mmns.state.ms.us](mailto:Library@mmns.state.ms.us). Prepayment is required. When ordering, please provide full citations for the publications you are requesting.

Technical  
Report No.

No. 1            GORDON, KEN L., JONES, ROBERT L. and WISEMAN, JAMES B. JR. 1986. Status report *Lindera subcoriacea* B. E. Wofford. Jackson: Mississippi Museum of Natural Science; 1986.

No. 2            MISSISSIPPI WILDLIFE HERITAGE FUND RESEARCH GRANT COMMITTEE, Compiler. 1988. 1987 Wildlife Heritage fund research grant reports. Jackson: Mississippi Museum of Natural Science.

- BUSACK, CRAIG A. The status of *Procambarus lylei* Fitzpatrick and Hobbs, a rare endemic crayfish of northern Mississippi, with notes on its genetic relationship to other species of the subgenus *Pennides* of genus *Procambarus*.
- CRAWFORD, JOHN THEODORE. The status and distribution of the Dusky Gopher Frog (*Rana areolata sevosa*) in Mississippi.
- INGOLD, DANNY J. Nesting phenology and competition for nest sites among red-headed and red-bellied woodpeckers and European starlings in east-central Mississippi.
- LAGO, PAUL K. An investigation of the arthropod fauna of gopher tortoise burrows in Mississippi, with emphasis on the status of *Onthophagus polyphemi sparsisetosus* (Coleoptera: Scarabaeidae: Scarabaeinae).
- MCGINNIS, HELEN J. Search for Puma (*Felis concolor* subsp.). Tracks on dirt roads in the National Space Technology Laboratories and Mississippi Army Ammunition Plant sites and the surrounding restrictive easement area in Hancock County, Mississippi.
- MIRANDA, L. E. AND JACKSON, D. C. A status survey of Atlantic Sturgeon in the Pascagoula and Pearl River Systems of Mississippi.
- MOORE, FRANK R. AND SIMONS, TED R. Utilization of Gulf Coast Barrier Islands by migratory birds.
- MORRIS, M. WAYNE. A floristic survey of Grenada County, Mississippi, for special plants and communities.
- ROSSO, SAM W. Field and taxonomic studies of *Parnassia* spp. and *Isoetes* spp.
- SIMONS, TED. Post fledging survival and dispersal in a barrier island osprey population.
- STEWART, ROBERT A. The occurrence of Delta Post Oak (*Quercus similis ashe*) along the upper Sunflower River in Mississippi.
- TOUPS, JUDITH A. Status and distribution of the common ground-dove in

- Hancock, Harrison, and Jackson Counties, Mississippi.
- TOUPS, JUDITH A. Status and distribution of the hairy woodpecker in Hancock, Harrison, and Jackson Counties, Mississippi.
- TOUPS, JUDITH A. Status and distribution of the marsh wren in Hancock, Harrison, and Jackson Counties, Mississippi.
- TOUPS, JUDITH A. Status and distribution of the seaside sparrow in Hancock, Harrison, and Jackson Counties, Mississippi.
- WARREN, RANDY C. A floristic survey of the southern interior flatwoods in Mississippi for special plants.

No. 3

MISSISSIPPI WILDLIFE HERITAGE FUND RESEARCH GRANT COMMITTEE, Compiler. 1989. 1988 Wildlife Heritage fund research grant reports. Jackson: Mississippi Museum of Natural Science.

- DUNCAN, JOHN E. Final progress report submitted to the Mississippi Natural Heritage Program concerning the floristic survey of Clay County, Mississippi for 'special plants'.
- KEISER, EDMUND D. A study of amphibian and reptile winter habitats and activity levels in northern Mississippi.
- KUSS, BRET D. A search for populations of the flatwoods salamander (*Ambystoma cingulatum*) in Mississippi.
- LAGO, PAUL K. AND TESTA, SAM. A status survey of *Paracymus seclusus* Wooldridge (Coleoptera: Hydrophilidae) in Mississippi.
- MCDANIEL, SIDNEY. A report of a survey of three plant species in Mississippi: *Tomanthera auriculata*, *Linum macrocarpum* and *Agrimonia incise*.
- MOORE, FRANK R. AND SIMONS TED R. Utilization of Gulf Coast barrier islands by migrating birds: Year two.
- O'NEIL, PAT AND WELLS, CHRISTOPHER J. AND MCDANIEL SIDNEY. Use of national aircraft photography program for coastal plain bog identification and survey in south Mississippi.
- PARSONS, GLENN R. A status survey of the northern madtom, *Noturus stigmosus*.
- ROSSO, SAM W. AND EAKES CLIFTON. Biological and environmental studies of *Parnassia grandifolia* in Mississippi.
- STEWART, ROBERT A. Further investigation of the occurrence and abundance of Delta Post Oak (*Quercus stellata* var. *Paludosa sargent*) in the upper Sunflower River Watershed.
- WARREN, RANDY C. A status survey for several counties in Mississippi for *Tomanthera auriculata*.

No. 4

HARTFIELD, PAUL and JONES, ROBERT. 1989. The status of *Epioblasma penita*, *Pleurobema curtum*, and *P. taitianum* in the East Fork Tombigbee River. Jackson: Mississippi Museum of Natural Science.

No. 5

JONES, ROBERT L. and HARTFIELD, PAUL D. 1989. Density and population structure of the Ringed Sawback Turtle *Graptemys oculifera* (Baur). Year I (June, 1988 - June, 1989). Jackson: Mississippi Museum of Natural Science.

- No. 6 HARTFIELD, PAUL and JONES, ROBERT. 1989. Population status of endangered mussels in the Tombigbee River at Gainesville Bendway, Alabama, 1988. Jackson: Mississippi Museum of Natural Science.
- No. 7 GORDON, KEN L. and WISEMAN, J. B. JR. 1989. Bienville National Forest prairie survey, final report. Jackson: Mississippi Museum of Natural Science.
- No. 8 MISSISSIPPI WILDLIFE HERITAGE FUND RESEARCH GRANT COMMITTEE, Compiler. 1990. 1989 Wildlife Heritage fund research grant reports. Jackson: Mississippi Museum of Natural Science.
- CLIBURN, WILLIAM. Status of Mississippi populations of *Eurycea lucifuga*, *Gryinophilus porphyriticus* and *Pseudacris brachyphona* in northeastern Mississippi.
  - DUNCAN, JOHN E. The floristic survey of the Black Prairie Belt for *Nemastylis geminiflora*, *Erythronium albidum* and *Penstemon tenuiflorus*.
  - FORREST, T. G. A search for the prairie mole cricket, *Gryllotalpa major*.
  - PARSONS, GLENN R. A status survey of the northern madtom, *Noturus stigmosus* in the Wolf and Hatchie River drainages.
  - ROSS, STEPHEN T. AND WILKINS, S. DAVID. Reproductive behavior and habitat selection of the bayou darter;
  - ROSSO, SAM W. KUSS, BRETT AND EAKES, CLIFTON. Systematic searches for rare plant and animal species reported from the Ragland Hills area, Forrest and Perry Counties, Mississippi.
- No. 9 JONES, ROBERT L. and HARTFIELD, PAUL D. 1990. Population status of endangered mussels in the Buttahatchee River, Mississippi and Alabama, segment 1, 1989. Jackson: Mississippi Museum of Natural Science.
- No.10 JONES, ROBERT L. and HARTFIELD, PAUL D. 1990. Density and population structure of the Ringed Sawback Turtle *Graptemys oculifera* (Baur), Year 2 (June, 1989 - June, 1990). Jackson: Mississippi Museum of Natural Science.
- No.11 MISSISSIPPI WILDLIFE HERITAGE FUND RESEARCH GRANT COMMITTEE, Compiler. 1991. 1990 Wildlife Heritage Fund Research Grant Reports. Jackson, Mississippi Museum of Natural Science. [See Technical Report No. 101]
- No.12 STEVENS, MARY P. 1991. The Botanical Literature of Mississippi: A Taxonomic, Geographic, and Subject Guide, 1854 - 1984. Mississippi Museum of Natural Science.
- No.13 PIERSON, MALCOLM. 1991. Status Survey of the Southern Clubshell, *Pleurobema decisum*, (Lea, 1831). Funded by the USFWS. MMNS.
- No.14 JONES, R. L. 1991. Population status survey of endangered mussels in the Buttahatchee River, Alabama and Mississippi. Segment 2, 1990. Funded by USFWS, Project E-1, Segment 6, MMNS.

- No.15 LAZELL, JAMES. 1996. A new salamander of the genus *Plethodon* from Mississippi. Funded by The Conservation Agency and the Mississippi Natural Heritage Program Research Grant.
- No.16 GORDON, K. L., WIELAND, R. G. and EAKES, C. B. 1991. Biological surveys for section 3P Natchez Trace Parkway. Funded by the National Park Service.
- No.17 JONES, R. L. 1991. Density and population structure of the ringed sawback turtle, *Graptemys oculifera* (Baur). Final report. Funded by USFWS, Project No. E-1, Segment 6. MMNS.
- No.18 PATRICK, D. M., MAO, L. and ROSS, S. T. 1991. The impact of geomorphic changes on the distribution of Bayou Darters in the Bayou Pierre System. Funded by USFWS, Project No. E-1, Segment 6, MMNS.
- No.19 JONES, C. A. 1992. Mammalian use of gopher tortoise burrows in Mississippi: A preliminary survey. 8p.
- No.20 JONES, C. A. and McDEARMAN, W. W. 1992. Gopher Tortoise recovery plan: Information and education on management of Longleaf Pine and private lands. Submitted to USFWS, Section 6.
- No.21 EAKES, C. B. 1992. Endangered plant survey of Meridian NAS, Bomb target, and OLF Bravo. Final report submitted to US Navy. 13p.
- No.22 GORDON, K. L. and J. A SMITH. 1992. Rare plant survey of Homochitto National Forest. Funded by USDA Forest Service. 30p.
- No.23 JONES, R. L. 1993. Density, population structure, and movements of the Yellow-blotched Map Turtle (*Graptemys flavemaculata*). Year ONE report. Funded by USFWS, Project No. E-1, Segment 7.
- No. 24 MANN, T. M. 1993. Gopher tortoise densities and burrow occupancy rates on selected sites in Mississippi. Submitted to USFWS, Section 6 report.
- No. 25 WIELAND, R. G. 1992. Preliminary vegetation survey and analysis of Chickasaw Village Site, Natchez Trace Parkway, Mississippi.
- No.26 WIELAND, R. G. 1994. Marine and estuarine habitat types and associated ecological communities of Mississippi Coast.
- No. 27 SEIGEL, RICHARD A. and BRAUMAN, ROBERT J. 1994. Reproduction and nesting of the Yellow-blotched Map Turtle (*Graptemys flavimaculata*). Funded by USFWS, Mississippi Endangered Species Project E-1, Segment 8. 15p.
- No. 28 SEIGEL, RICHARD A. and BRAUMAN, ROBERT J. 1994. Food habits of the Yellow-blotched Map Turtle (*Graptemys flavimaculata*). Funded by the USFWS,

Mississippi Endangered Species Project E-1. 14p.

- No. 29 MURPHY, MICHAEL J. and SKAINS, J. 1994. Habitat and movement of the Gulf Sturgeon (*Acipenser oxyrhynchus desotoi*) in the Pascagoula River, Mississippi. Funded by USFWS, Mississippi Endangered Species Project E-1, Segment 8. 20p.
- No. 30 JONES, R. L. 1994. Density, population structure and movements of the Yellow-blotched Map Turtle *Graptemys flavimaculata*. Final Report. Funded by USFWS, Mississippi Endangered Species Project, E-1; Segment 8.
- No. 31 JONES, R. L. 1994. Surveys of East Fork Tombigbee and Buttahatchee Rivers for listed species of freshwater mussels. Funded by USFWS, Mississippi Endangered Species Project, E-1, Segment 9. 10p.
- No. 32 SEIGEL, RICHARD A. and KELLY R. SMITH. 1995. Demography and reproduction of Gopher Tortoises in Mississippi. Funded by USFWS, Mississippi Endangered Species Project, E-1, Segment 9. 15p.
- No. 33 SEIGEL, RICHARD A. and ROBERT J. BRAUMAN. 1995. Reproduction and nesting of the Yellow-blotched Map Turtle, *Graptemys flavimaculata*. Funded by USFWS, Mississippi Endangered Species Project, E-1, Segment 9. 27p.
- No. 34 JONES, R. L. 1995. Mark-recapture estimates of the Ringed Sawback (*Graptemys oculifera*) at five sites on the Pearl River. Funded by USFWS, Task Order No. 94-1, Cooperative Agreement 14-16-0004-90-927.
- No. 35 BART, HENRY L. and SUTTKUS, ROYAL D. 1995. A status survey for the Pearl River Channel Darter (*Percina sp.*). Funded by the USFWS, Mississippi Endangered Species Project E-1; Segment 9. 16p.
- No. 36 SKAINS, JOHN A. and MURPHY, MICHAEL J. 1995. Habitat and movement of the Gulf Sturgeon, *Acipenser oxyrhynchus desotoi*, in the Pascagoula River, Mississippi. Funded by the USFWS, Mississippi Endangered Species Project E-1, Segment 9.
- No. 37 MANN, TOM. 1995. Population surveys for Diamondback Terrapins and Gulf Salt Marsh Snakes in Mississippi. Funded by U.S. Fish and Wildlife Service, Mississippi Endangered Species Project E-1; Segment 9.
- No. 38 TUMA, MICHAEL W. 1995. Life history of the Gopher Tortoise (*Gopherus polyphemus*) on Camp Shelby, Mississippi. Project No. 460, Gopher Tortoise Research, Year-end Report for the 1994 season.
- No. 39 JONES, R. L., C. L. KNIGHT and T. C. MAJURE. 1996. Endangered mussels of Tombigbee River Tributaries: The Noxubee River. Funded by USFWS, Mississippi Endangered Species Project, E-1; Segment 10. 20pp.

- No. 40 JONES, R. L. 1996. Reproduction and nesting of the Ringed Sawback turtle, *Graptemys oculifera*. Year one Report. Funded by USFWS, Mississippi Endangered Species Project, E-1; Segment 10. 18pp.
- No. 41 SEIGEL, RICHARD A. and KELLY R. SMITH. 1996. Demography and reproduction of Gopher Tortoises in Mississippi. Funded by USFWS, Mississippi Endangered Species Project, E-1; Segment 10.
- No. 42 MISSISSIPPI WILDLIFE HERITAGE FUND RESEARCH GRANT COMMITTEE. 1995. Wildlife Heritage Fund Research Grant Reports. Jackson: MMNS, 1995.
- FLOYD, PETER S. Study of the nesting Biology of the Mississippi Red-bellied Turtle.
  - FLOYD, PETER S. AND FLOYD, J. D. Estimation of population density of the Gulf Salt Marsh Snake in the Bayou Rosa Marsh in Pascagoula, MS.
  - HUNEYCUTT, M. B. Vascular plants on the Pontotoc Ridge.
  - JOHNSTON, CAROL AND FIGIEL, CHESTER. Population estimates, microhabitat parameters and life history characteristics of *Fallicambarus burrisi* and *Fallicambarus gordonia*, two crayfishes associated with Pitcher Plant bogs in Southern Mississippi.
  - MARSHALL, JEREMY L. The amazing Brook-side Salamanders.
  - MARSHALL, JEREMY L. AND KEISER, EDMUND D. A species richness analysis of spring dwelling salamanders with life history and migration patterns of the Southern Two-lined Salamander (*Eurycea cirrigera*).
  - MILLER, PATRICIA AND MILLER, GARY. Distribution of the Obligate Burrowing Wolf Spiders in Mississippi. Jackson:
  - MORRIS, MICHAEL WAYNE. A floristic survey of Beech-Magnolia Forests for special plants and communities in Central Mississippi.
  - MUELLER, ALLEN AND BURRIS, JOHN W. The 1995 colonial waterbird count, final technical report.
  - O'CONNELL, MARTIN; ROSS, STEPHEN, AND EWING, JOHN. Survey for the Blackmouth Shiner, *Notropis melanostomus* (Teleostei: Cyprinidae), in lakes and streams of the upper Pascagoula River Drainage.
  - PARSONS, GLENN. Life history of the Northern Madtom, *Noturus stigmosus* in the Wolf, Hatchie, Tallahatchie, Cold Water and Big Black River Drainages.
  - PETERSON, MARK AND CREGO, GREGORY. Distribution and habitat characteristics of the bluespotted sunfish, *Enneacanthus gloriosus* (Holbrook) III.
- No. 43 ESTES, THOMAS and THOMAS M. MANN. 1996. State land 16th section Gopher Tortoise Survey. Funded by USFWS, E-1; Segment 10.
- No. 44 WOODREY, MARK S. and CZELL, CHRIS C. 1996. Reproductive success of the interior population of Least Terns nesting on the Mississippi River from Memphis, TN to Rosedale, MS: Year One. Funded by USFWS, E-1; Segment 10.
- No. 45 BART, HENRY L. and ROYAL D. SUTTKUS. 1996. Status survey of the Pearl Darter (*Percina aurora*) in the Pascagoula River System. Funded by USFWS, E-

1; Segment 10.

- No. 46 KNIGHT, CHARLES. 1996. Gulf Sturgeon migration patterns and habitat selection in the Pearl River System. Funded by USFWS, E-1; Segment 10.
- No. 47 CZELL, CHRIS and WOODREY, MARK S. 1997. Reproductive success of the nesting population of Least Terns nesting on the Mississippi river from Memphis, TN to Rosedale, Miss: Year Two. Funded by USFWS, Project E-1; Segment 11.
- No. 48 JONES, R. L. 1997. Reproduction and nesting of the ringed sawback turtle *Graptemys oculifera*: Mississippi Museum of Natural Science; 1997; (Museum Technical Report No. 48). Note: Final Report. Funded by USFWS, Project E-1; Segment 11.
- No. 49 JONES, R. L., KNIGHT, C. L. and MAJURE, T. C. 1997 Endangered mussels of Tombigbee tributaries: Tibbee Creek: Mississippi Museum of Natural Science; 1997; (Museum Technical Report ; v. No. 49). Note: Funded by USFWS, Project E-1; Segment 11.
- No. 50 RICHTER, STEVEN C. and SEIGEL, RICHARD. 1997. Demography and reproduction of Gopher Frogs in Mississippi: Mississippi Museum of Natural Science; 1997; (Museum Technical Report; v. No. 50). Note: Funded by the USFWS, Project E-1; Segment 11.
- No. 51 KNIGHT, CHARLES. 1997. Gulf Sturgeon migration patterns and habitat selection in the Pearl River System. II.: Mississippi Museum of Natural Science; 1997; (Museum Technical Report; v. No. 51). Note: Funded by USFWS, Project E-1; Segment 11.
- No. 52 PETERSON, MARK and NICHOLSON, LARRY. 1997. Relative abundance, life history and habitat characteristics of the Gulf Blue Sucker in the Lower Pascagoula and Pearl River Systems in Mississippi: Mississippi Museum of Natural Science; 1997; (Museum Technical Report; v. No. 52). Note: Funded by USFWS, Section 6; Segment 11.
- No. 53 SEIGEL, RICHARD A. and DOODY, J. DEAN. 1996. Management of the Ward Bayou Wildlife Management Area to promote the recovery of Gopher Tortoise, *Gopherus polyphemus* (Tennessee-Tombigbee Waterway Prject).: Mississippi Museum of natural Science; 1996; (Museum Technical Report; v. No. 53). Note: Final report submitted to the Corp of Engineers, Mobile District.
- No. 54 SEIGEL, R. A. and HORNE, BRIAN D. 1997. Management of the Ward Bayou Wildlife Management Area to promote the recovery of the Yellow-blotched Map Turtle, *Graptemys flavimaculata*. Mississippi Museum of Natural Science; 1997; (Museum Technical Report; v. No. 54). Note: (Tennessee Tombigbee Waterway Wildlife Mitigation Project). Annual Report. Submitted to Corps of Engineers, Mobile District.

- No. 55 MANN, THOMAS M., FLOYD, PETER SCOTT, FLOYD, PETER SCOTT JR., and FLOYD, JONATHAN DAVID. 1997. Habitat Use by Adult Diamondback Terrapins (*Malaclemys terrapin*) in Mississippi: Mississippi Museum of Natural Science; 1997; (Museum Technical Report; v. No. 55). Note: Funded by USFWS, Project E-1; Segment 11.
- No. 56 MISSISSIPPI WILDLIFE HERITAGE FUND RESEARCH GRANT COMMITTEE. 1997. Wildlife Heritage Fund Research Grant Reports 1996. Jackson, Mississippi Museum of Natural Science.
- ADAMS, STEVEN R. AND PARSONS, GLENN. Fishes of Indian Creek, Wolf River Drainage.
  - CASH, W. B. Population Status of the Hellbender, *Cryptobranchus alleganiensis*, in Bear Creek, Tishomingo, County, Mississippi.
  - MARSHALL, J. L. AND KEISER, ED. The Life History Strategies of Plethodontid Salamanders in Northern Mississippi Spring Ecosystems.
  - MCCOOK, LUCILE AND GARRISON, WENDY J. Distribution and Status of Turtleheads, *Chelone glabra*, *C. obliqua* and *C. lyonii*, in Mississippi.
  - PETERSON, MARK; FULLING, GREG, AND CREGO, GREGORY. Distribution and Habitat Characteristics of the Saltmarsh Topminnow, *Fundulus jenkinsi* (Everman).
  - ROSS, STEPHEN AND RAUCH, TOMMY S. Survey for the Pygmy Killifish, *Leptolucania ommata* (Jordan) (Teleostei: Fundulidae).
- No. 57 WOODREY, M. S. and CZELL, CHRIS. 1998. Reproductive success of the interior population of Least Terns (*Sterna antillarum*) nesting on the Mississippi River from Memphis, Tennessee to Rosdale, Mississippi: Years 1995 - 1997. Final Report. Funded by USFWS, Project E-1, Segment 12. Jackson, Mississippi Museum of Natural Science. (Museum Technical Report.)
- No. 58 RICHTER, S. C. and R. A. SEIGEL. 1998. Demography and reproduction of Gopher Frogs in Mississippi. Mississippi Museum of Natural Science Technical Report. Funded by USFWS, Project E-1, Segment 12.
- No. 59 DURAN, C. MICHAEL. 1998. A radio-telemetry study of the Black Pine Snake (*Pituophis melanleucus lodingi* Blanchard) on the Camp Shelby, Training Site, Camp Shelby, Mississippi. Funded by Mississippi Army National Guard. Mississippi Museum of Natural Science Technical Report.
- No. 60 SEIGEL, RICHARD A., BRIAN D. HORNE and MEGAN COULOMBE-MOORE. 1998. Management of the Ward Bayou Wildlife Management Area to promote the recovery of the Yellow-blotched Map Turtle, *Graptemys flavimaculata*. Annual report. Funded by U.S. Army Corps of Engineers, Mobile District. Mississippi Museum of Natural Science Technical Report.
- No. 61 WIELAND, RONALD G., MIKE DURAN, BARRY MCPHAIL and BRUCE SORRIE. 1998. Rare species, habitat types, and associated ecological communities of the proposed Grand Bay National Estuarine Research Reserve. Submitted to Peter R. Hoar, Grand Bay NERR Program Manager, Mississippi

Department of Marine Resources for completion of the Draft Environmental Impact Statement on the establishment of Grand Bay National Estuarine Research Reserve. Funded by Coastal Zone Management Act of 1972, NOAA, Ocean and Coastal Resource Management, Mississippi Department of Marine Resources. Jackson, Mississippi Museum of Natural Science Technical Report.

- No. 62 TUMA, MICHAEL W. 1996. Life History and population structure of the Gopher Tortoise (*Gopherus polyphemus*) on Camp Shelby, Mississippi. Funded by U. S. Department of Defense, Gopher Tortoise Legacy Research Funds, submitted to Mississippi Museum of Natural Science, Natural Heritage Program. Year-end Report for 1995 Season, (April 1995-April 1996). 54pp.
- No. 63 SLACK, WILLIAM T., STEPHEN T. ROSS and JOHN A. EWING, III. 1998. Relative abundance and the ecology of early life history stages of the Bayou Darter: Critical habitat and downstream transport. Funded by USFWS, Project No.E-1, Segment 12, Mississippi Department of Wildlife, Fisheries and Parks, Museum of Natural Science, Jackson, MS. 48pp.
- No. 64 SLACK, WILLIAM T. and STEPHEN T. ROSS. 1998. Movement and habitat use of the Gulf Sturgeon (*Acipenser oxyrinchus desotoi*) in the Pearl River and Leaf River Systems of Mississippi. [Year I] Funded by USFWS, Project No, E-1, Segment 12. Mississippi Department of Wildlife, Fisheries and Parks, Museum of Natural Science, Jackson, MS. 25pp.
- No. 65 JONES, R. L. and T.C. MAJURE. 1999. Endangered mussels of Tombigbee River tributaries: Bull Mountain Creek. Funded by USFWS, Project No. E-1, Segment 13. Mississippi Department of Wildlife, Fisheries and Parks, Museum of Natural Science, Jackson, MS. 10pp.
- No. 66 SLACK, WILLIAM T., STEPHEN T. ROSS, RYAN J. HEISE and JOHN A. EWING, III. 1999. Movement and habitat use of the Gulf Sturgeon (*Acipenser oxyrinchus desotoi*) in the Pascagoula Drainage of Mississippi: Year II. Funded by USFWS, Project No. E-1, Segment 13. Mississippi Department of Wildlife, Fisheries and Parks, Museum of Natural Science, Jackson, MS.
- No. 67 RICHTER, STEPHEN C. and RICHARD A. SEIGEL. 1999. Demography and reproduction of Gopher Frogs in Mississippi. Funded by USFWS, Project No. E-1, Segment 13. MDWFP, MMNS, Jackson, MS. 24p.
- No. 68 ROSS, STEPHEN T., PAMELA J. SCHOFIELD and PATRICK RAKES. 1998. Conservation of the Pearl Darter, *Percina aurora*: Habitat selection and development of a protocol for larval rearing. Funded by USFWS, Project No. E-1, Segment 13. Submitted to MDWFP, Museum of Natural Science, Jackson, MS. 28pp.
- No. 69 WIELAND, RON G. 1999. Old Fort Bayou mitigation bank land, Jackson, County, Miss : Rare plant and ecological communities inventory. Vol. 1 and 2 in one volume. 39p. Funded by the Mississippi Nature Conservancy.

- No. 70      WOODREY, MARK and JEFF CLARK. 1998. Ornithological survey and inventory of Old Fort Bayou mitigation bank property: Final report. Funded by the Mississippi Nature Conservancy, Ocean Springs Field Office. Museum of Natural Science. 36p.
- No. 71      FLOYD, PETER S., PETER S. FLOYD, JR. and J. DAVID FLOYD. 1998. Herpetofauna and crustacean diversity survey on the Old Fort Bayou Mitigation Bank. Final Report. Under subcontract with the Mississippi Natural Heritage Program. 47pp.
- No. 72      BURGER, L. WES and JONATHON COLE. 1999. Spatial ecology of Gray Rat Snakes in Red-cockaded Woodpecker clusters in east-central Mississippi. Funded by USFWS, Project NO. E-1, Segment 13. Mississippi Museum of Natural Science, Jackson.
- No. 73      BURGER, L. WES, FRANCISCO J. VILELLA, JEANNE JONES and DOUG WOODS. 1999. Multi resolution assessment of foraging requirements of the Red-cockaded Woodpecker (*Picoides borealis*) in Bienville National Forest, Mississippi. Funded by USFWS, Project E-1, Segment 13, Mississippi Museum of Natural Science, Jackson, MS.
- No. 74      HEISE, RYAN J., STEPHEN T. ROSS, MOLLIE F. CASHNER, and WILLIAM T. SLACK. 1999. Movement and habitat use of the Gulf Sturgeon (*Acipenser oxyrinchus desotoi*) in the Pascagoula Drainage of Mississippi : Year 3. Funded by USFWS, Project E-1, Segment 14; Mississippi Museum of Natural Science Technical Report, Jackson, MS.
- No. 75      SCHOFIELD, PAMELA J., STEPHEN T. ROSS and PATRICK RAKES. 1999. Conservation of the Pearl Darter, *Percina aurora*: habitat selection and development of a protocol for larval rearing, year 2. Funded by the USFWS, Project E-1; Segment 14. Mississippi Museum of Natural Science Technical Report, Jackson, MS.
- No. 76      HEISE, RYAN J., STEPHEN T. ROSS, MOLLIE F. CASHNER and WILLIAM T. SLACK. 1999. Gulf Sturgeon (*Acipenser oxyrinchus desotoi*) in the Pascagoula Bay and Mississippi Sound. Funded by the USFWS, Project E-1; Segment 14. Mississippi Museum of Natural Science Technical Report, Jackson, MS.
- No. 77      PETERSON, MARK S., GREGORY L. FULLING and CHRISTA M. WOODLEY. 2000. Distribution and habitat characteristics of the saltmarsh topminnow, *Fundulus jenkinsi*, (Evermann) in eastern Mississippi bayous. Funded by the USFWS, Project E-1; Segment 14. Mississippi Museum of Natural Science Technical Report, Jackson, MS.
- No. 78      SEIGEL, R. A. and C. K. KENNEDY. 1999. Demography and reproduction of Gopher Frogs in Mississippi. Funded by the USFWS, Project No. E-1 Segment

14. Miss Museum of Natural Science Technical Report, Jackson, MS.
- No. 79 SEIGEL, R. A. and N. J. ANDERSON. 1999. Effects of habitat manipulation on Gopher Tortoises in Mississippi. Funded by the USFWS, Project No. E-1, Segment 14. Miss Museum of Natural Science, Technical Report, Jackson, MS.
- No. 80 GRAHAM, ANDY and MARY P. STEVENS. 2000. Mississippi Department of Wildlife, Fisheries and Parks, Freshwater Fisheries Reports, Subject Bibliography, 1950-May2000. Freshwater Fisheries Report No. 195. Compiled by Andy Graham and Mary P. Stevens. MDWFP, Mississippi Museum of Natural Science.
- No. 81 GRAHAM, ANDY and MARY P. STEVENS. 2000. Mississippi Department of Wildlife, Fisheries and Parks, Freshwater Fisheries Reports, Author Index, 1950-May2000. Freshwater Fisheries Report No. 194. Compiled by Andy Graham and Mary P. Stevens. MDWFP, Mississippi Museum of Natural Science.
- No. 82 MANN, T. M., P. S. FLOYD, P. S. FLOYD, JR. and J. D. FLOYD. 2000. Further investigation of the range of the Alabama red-bellied turtle (*Pseudemys alabamensis*) in Mississippi. Funded by the USFWS, Project No. E-1, Segment 14. Museum Technical Report, Jackson, MS.
- No. 83 MISSISSIPPI WILDLIFE HERITAGE CHECKOFF FUND. 1999. 1999 Wildlife Heritage Checkoff Fund Research Grant Reports. MMNS. 1999. Miss Museum of Natural Science.
- BREWER, J. STEPHEN AND AQUILANI, STEVEN M. The effects of current fire management practices on forest-obligate bird species of concern and their associated tree communities in Holly Springs National Forest.
  - BROWN, RICHARD L., SCHIEFER, TERENCE L., COLLISON, CLARENCE, AND MACGOWN, JOE. Survey of insects in the Tombigbee District of the Tombigbee National Forest with emphasis on moths, longhorn beetles, and sap beetles.
  - COULSON, JENNIFER. Breeding status of Swallow-tailed Kites in Mississippi: Final Report.
  - HAYS, JOHN. A botanical survey for rare species of *Agalinis* (Scrophulariaceae) in Mississippi.
  - JOHNSTON, CAROL E. AND PHILLIPS, BRYAN. Fishes and mussels of the Bear Creek drainage, Mississippi.
  - PILLER, KYLE R., TIPTON, JASON A., AND BART, HENRY L. Status survey of the frecklebelly madtom, *Noturus munitus*, in the Pearl and Upper Tombigbee River systems, MS.
  - TROUSDALE, AUSTIN W. AND BECKETT, DAVID C. Survey for three species of bats, *Lasiurus cinereus*, *Lasiurus intermedius*, and *Corynorhinus rafinesquii* (Chiroptera: Vespertilionidae) in Southern Mississippi.
  - WAITE, THOMAS A. AND IBARGUEN, SIRI. Using isotopic, genetic, and bioacoustic markers to identify the breeding origins of Henslow's sparrows.
